

The Brain Song

(Sing to the tune of “Here we go round the Mulberry Bush”)

**This is the brain stem, brain stem, brain stem
This is the brain stem; It helps your heart beat.**

**This is the cerebellum, cerebellum, cerebellum
This is the cerebellum; It helps your eyes blink.**

**This is the Limbic system Limbic System, Limbic System
This is the Limbic System; It’s the memory seat.**

**This is the Cerebrum, The Cerebrum, The Cerebrum
This is the Cerebrum, It helps you to think.**

**Now that you know all four parts, all four parts, all four parts
Now that you know all four parts; Share them with a friend.**
